ENTRY REQUIREMENTS

Applicants are required to be female, Australian residents and must be competent in communication and mathematics. These skills are equivalent to completion of Year 10, but may also be achieved through previous work or informal learning experiences. The scholarship has been designed to meet the needs of women who are returning to work, seeking a career change, recently completed high school or as an alternative pathway to university. The learning environment is structured to provide a high level of support for students returning to formal education.

2022/2023 SCHEDULE

Applications open: 3 October 2022

Applications close: 11 November 2022

Interviews commence: Week of 30 November 2022

Scholarship begins: January 30, 2023

Applications: To apply, download the form on the website and send the form with your CV and academic history to WID@smtafe.wa.edu.au

Visit: www.southmetrotafe.wa.edu.au/women-defence-industry-scholarship.

Location: South Metropolitan TAFE, Munster Campus, 9 Gardiner Avenue, Munster WA 6166

INTERVIEW PROCESS

Once applications close, a panel will shortlist applicants and extend invitations for interviews. The panel will consist of SM TAFE representatives. During the interview process, applicants may be requested to demonstrate mathematics and literacy capability.
