GAINING ACCESS TO TRAINING AND EMPLOYMENT (GATE)
GATE is a bridging/preparatory course that enables learners to extend their general education prior to entering a range of vocational training programs, employment or community participation.

2024 COURSES

These qualifications have been specifically designed for people with intellectual disabilities with course delivery tailored to the needs of the student. Prospective students must:

- demonstrate behaviour appropriate to an adult learning environment.
- be personally motivated to attend and actively participate with other students in the class.

Any support that is classified as a behavioural or social support, needs to be covered with a private support worker. This is the responsibility of the parent or guardian.

The courses are recognised as full-time and Centrelink approved.
